

Case # 3:06-00123

Dear Judge Robert Echols,

My name is Matthew May. I have been on probation for almost five years. I will be done with my probation in August. My mother purchased my wife and I a weekend cruise to the Bahamas for her Birthday. We will be leaving Friday July 27<sup>th</sup> and return home Monday July 30<sup>th</sup>. My probation officer said I would need your permission before we could go. So if you could please allow us to go we need a weekend without the kids to relax. I've been on good behavior with my officer, and I've been paying my restitution on time every month. So please allow this Judge Robert Echols. Thank you!

Sincerely,
